ACI EUROPE is the European regions of Airports Council International (ACI), the only worldwide professional associations of airport operators. ACI EUROPE represents over 500 airports in 45 European countries. Our members facilitate over 90% of commercial air traffic in Europe: 2.5 billion passengers, 20.7 million tonnes of freight and 25.7 million aircraft movements in 2019. In response to the Climate Emergency, in June 2019 our members committed to achieve NetZero carbon emissions for operations under their control by 2050, without offsetting.

ACI EUROPE représente plus de 500 aéroports dans 45 pays européens. Nos membres facilitent plus de 90 % du trafic aérien commercial en Europe : 2.5 milliards de passagers, 20.7 millions de tonnes de fret et 25.7 millions de mouvements d'avions en 2019. En réponse à l'urgence climatique, en juin 2019 nos membres se sont engagés à atteindre zéro émission nette de carbone issue des opérations aéroportuaires entièrement sous leur contrôle d'ici à 2050, sans compensation. Basés à Bruxelles, nous représentons et servons l'industrie aéroportuaire européenne et maintenons d'étroits liens avec les autres régions d'ACI à travers le monde.

EVERY FLIGHT BEGINS AT THE AIRPORT.

CHAQUE VOL COMMENCE À L'AÉROPORT.
