ACI EUROPE is the European region of Airports Council International (ACI), the only worldwide professional association of airport operators. ACI EUROPE represents over **500 airports** in 45 countries. Our members facilitate over 90% of commercial air traffic in Europe: **2.5 billion passengers, 20.7 million tonnes of freight** and **25.7 million aircraft movements** in 2019. In response to the Climate Emergency, in June 2019 our members committed to achieve **Net Zero** carbon emissions for operations under their control **by 2050**, without offsetting.

EVERY FLIGHT BEGINS AT THE AIRPORT.

MANAGER: AVIATION SECURITY

Join a small, dynamic and very international team, working in the most vibrant sector of European transport. We are looking for people with a solid academic & technical background, as well as a minimum of 5-10 years relevant professional experience.

The successful candidate will work on a range of Aviation Security issues and would need to demonstrate that he/she possess the following skills & competencies:

- Genuine interest in civil aviation.
- Self-starter capable of judging when and how to take initiatives best suited for the relevant policy content.
- Highly developed social and communication skills, including the ability to communicate in a multilingual and multicultural environment.
- Ability to originate and produce high quality, coherent, reasoned and convincing position papers and other written materials for lobbying purposes.
- Ability to work in a team, listen to others, foster compromise and obtain consensus.
- Supervise the work of Aviation Security/Cybersecurity Coordinator.

- The successful candidate will need to obtain a security clearance

The candidate must have a good understanding of EU institutions and relevant experience in a regulated sector. English native or equivalent required, any another EU language an advantage. To the right candidate, ACI EUROPE will offer a very attractive package.
