ACI EUROPE is the European region of Airports Council International (ACI), the only worldwide professional association of airport operators. ACI EUROPE represents over **500 airports** in 45 countries. Our members facilitate over 90% of commercial air traffic in Europe: **2.5 billion passengers, 20.7 million tonnes of freight** and **25.7 million aircraft movements** in 2019. In response to the Climate Emergency, in June 2019 our members committed to achieve **Net Zero** carbon emissions for operations under their control **by 2050**, without offsetting.

EVERY FLIGHT BEGINS AT THE AIRPORT.

AIRPORT TRAFFIC DATA ANALYST

We're on the look-out for an Airport Traffic Data Analyst, an entry-level position to work under the guidance of and reporting to the Head of Economics & Competition.

SCOPE

- To promote, through ACI EUROPE, the interests of over 500 European airports to legislators, regulators, the press and the public;
- To provide the best possible service to members of ACI EUROPE, in particular through the provision of high-quality information and analyses in the area of airport traffic and connectivity;
- To assist in the definition of ACI EUROPE policies by providing reliable data and analyses of airport traffic to the relevant member of staff.

ESSENTIAL QUALITIES

- Interest in data analysis in the field of civil aviation;
- 1 to 2 years of work experience via internships or entry-level work in data analysis;
- Knowledge of R language and key analysis and visualization libraries;
- Detailed knowledge of Microsoft Office applications and full command of Excel;
- Ability to create compelling data visualisations;
- Ability to work under pressure and to deal with multiple assignments;
- Fluent in English, other European languages an asset.

To the right candidate, ACI EUROPE will offer a very attractive package. Please e-mail your CV (**no more than 2 pages**) with a **one page** cover letter (in English) and any relevant supporting material to: stephanie.coppin@aci-europe.org.

Application deadline: 28 February 2022
