

# Aéroports de la Côte d'Azur: Climate Strategy « CAP 2030 » (Scope 1 & 2)

## Airport Carbon Accreditation :

The three airports operated by Aéroports de la Côte d'Azur are accredited

- Nice Côte d'Azur Airport :

**LEVEL 5**

- Cannes-Mandelieu Airport :

**LEVEL 4+**

- Golfe de Saint-Tropez Airport :

**LEVEL 4+**

**CERTIFICATE**  
of ACCREDITATION

Valid until 26th August 2028

This is to certify that *Airport Carbon Accreditation*, under the administration of Environmental Minds, confirms that the carbon management processes at

**NICE CÔTE D'AZUR AIRPORT**  
Implemented by Aéroports de la Côte d'Azur

have earned the accreditation of **LEVEL 5**, in recognition of the airport's exceptional efforts in achieving and maintaining net zero CO<sub>2e</sub> emissions on Scope 1 & 2, committing to net zero CO<sub>2e</sub> emissions in Scope 3 by 2050 or sooner, and establishing effective partnerships with its business partners to achieve this target, and removing any residual emissions under its control from the atmosphere, as part of the global airport industry's response to the challenge of climate change.
