

The ACI EUROPE Commercial Forum

Background

- The Executive Committee of the ACI EUROPE Board decided on 11 June 2003 in London to create a permanent Forum for members interested in the generation of non-aeronautical revenue at airports.

Mission

- The mission of the forum is to promote and develop best practice in the generation of non-aeronautical revenue at airports, including among others retail, forex, parking, car rental, real estate and business parks.

Membership

- The ACI EUROPE Commercial Forum is open to all Regular Members and World Business Partners and currently counts over 120 active Members. The Forum holds two annual meetings, one within the framework of the ACI EUROPE Commercial and Retail Conference, and one in the autumn.

Task Forces

- There are currently three task forces: 1) increased cooperation with the European Travel Retail Confederation (ETRC); 2) real estate and airport cities; and 3) drafting of the next conference programme.

Officers

- The current Chair is Patrick Bohl (Budapest Airport Zrt); the Vice-Chair Jérôme Lepage (JC Decaux S.A.)

Next meetings

- The spring meeting will take place in Tel Aviv on 13-15 March 2018, preceding the [27th Airport Commercial & Retail Conference & Exhibition](#).
