

Leadership & Human Resources Forum

Background

- Due to the increasing focus on human resources within the industry, ACI EUROPE decided to revive in December 2013 the disbanded ACI EUROPE Human Resources Committee.

Mission

- The mission of the Forum is to promote excellent leadership and people practices that add value to the development of the airport industry by:
 - advocating HR as a strategic success factor
 - sharing knowledge and experience through the development of a strong HR community
 - communicating and adopting the best practice and new ideas.

Membership

- The ACI EUROPE Leadership and Human Resources Forum is open to all Regular Members and World Business Partners, with each member being given the opportunity to nominate one representative; representatives will have the relevant seniority and engagement level. The Forum currently represents some 32 Regular Members and holds two annual meetings.

Working groups

- Employee engagement
- Staff exchange
- Digital Transformation

Officers

- Chair is Alon Silberstein (Israeli Airports Authority)
- Vice-Chair Georgia Stergiopoulou (Athens International Airport S.A)

Next meetings

- Spring: 7-9 May 2018, Athens
- Autumn: 17-19 September 2018, Varna
