

***ACI EUROPE is the European region of Airports Council International (ACI), the only worldwide professional association of airport operators. ACI EUROPE represents over 500 airports in 45 European countries. Our members facilitate over 90% of commercial air traffic in Europe: 2 billion passengers, 20 million tonnes of freight and 23.7 million aircraft movements in 2016. These airports contribute to the employment of 12.3 million people, generating €675 billion each year (4.1%) of GDP in Europe.***

## **MANAGER: CYBERSECURITY**

Join a small, dynamic and very international team, working in the most vibrant sector of European transport. We are looking for people with a solid academic & technical background, as well as a minimum of 5 years relevant professional experience in Information Technology.

The successful candidate will work on a range of Aviation Cybersecurity issues and would need to demonstrate that he/she possess the following skills & competencies:

- Genuine interest in civil aviation.
- Self-starter capable of judging when and how to take initiatives best suited for the relevant policy content.
- Highly developed social and communication skills, including the ability to communicate in a multilingual and multicultural environment.

- Ability to originate and produce high quality, coherent, reasoned and convincing position papers and other written materials for lobbying purposes.
- Ability to work in a team, listen to others, foster compromise and obtain consensus.

The candidate must have a good understanding of EU institutions and relevant experience in a regulated sector. English native or equivalent required, any another EU language an advantage. To the right candidate, ACI EUROPE will offer a very attractive package. Please e-mail your CV with a cover letter (in English) and any relevant supporting material to: [stephanie.coppin@aci-europe.org](mailto:stephanie.coppin@aci-europe.org).

**Application deadline: 15 February 2019**
